**Commissioner for Patents** 

Response to Amendment

The reply filed on 07/18/06 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Amendments to a claim must be made by rewriting the entire claim with all changes (e.g., additions and deletions) as indicated in this subsection, except when the claim is being canceled. Each amendment document in the claim listing, the status of every claim must be indicated after its claim number by using one of the following identifiers in a parenthetical expression: (Original), (Currently amended), (Canceled), (Withdrawn), (Previously presented), (New), and (Not entered). See 37 CFR 1.111. The Examiner clearly understand the Applicant's intention to enter the original claims 1-9 and renumber the rest of the claims (claims 10-45). However, claims 37-45 are NEW claims, therefore, those claims should be identified as new claims, instead of previously presented claims. No matter those claims are a copy of claims 28-36. Additionally, the Examiner wants to point out that claims 31, 32, 34-37 and 39 depend on cancelled claims 21, 24 and 29. Correction is required. Finally, the amendment shows that claims 41 is cancelled and previously there was no claim 41. Correction is also required. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
